Application form: <https://forms.gle/m15PkJ1zYJwMaPR59>

About the Workshop

This hands-on workshop equips professionals working in public health and development sector - currently or aspiring to work with governmental and non-governmental organizations - with essential skills in planning, implementation, monitoring and evaluation. Through practical tools in strategic planning, results-based management, stakeholder engagement, and data-driven decision-making, participants will learn to apply collaborative, impact-focused approaches in real-world settings.

□ Contents

- ⇒ Introduction to Management and Project Cycle Management (PCM)
- ⇒ Strategic Planning - Visioning, goal-setting, activity planning, budget development and financial tracking
- ⇒ Designing proposals using logic models and M&E Plans
 - >Logical Frameworks, Results-Based Management, Theory of Change (ToC)
- ⇒ Project Implementation Plan (PIP) Development – for schemes like National Health Mission, Integrate Child Development Services, Swachh Bharat Mission, etc.
- ⇒ Dashboarding and Data Visualization for M&E
- ⇒ Impact Evaluation Methods – Quantitative and Qualitative methods

□ Course Fee

- * Rs. 3000/- for students (ID must be provided)
- * Rs. 5000/- for others
- * The fee includes lunch, snacks and tea.

□ Who should attend

- Public health and development professionals
- Those currently working with or aspiring to work in:
 - >NGOs
 - >Government agencies (e.g., NHM, WCD)
 - >CSR (Corporate Social Responsibility) organizations
